

# RCV 10

Hi there .  
I, hope you are well . 😊 I noted the correct address now and will send  
my reply as soon as possible. Please allow me to prepare it this week and maybe send it off next  
Monday. There is too much scheduled this week.  
Did you send Off your planned second letter? Would we overturn some information and would you  
recommend me to wait with my letter till the second arrived? Then I am Patient... 😊  
Well, Kyung-Tak. I will prepare for work now. Have a great week and take care.  
Dieter
