Hello from Norway:-)

My real name is Tanja, and as a teenager I used to have a lot of penpals. I'm married and have 5 grown kids, as well as a family dog. Now that my kids are older it is easier to try to find penpals again. Since I visited South Korea when I was 8 years old, I'd love to find friends from there. I would love to learn hangul, and learn more about your culture and country's history.

Norway is a small country, at least when it comes to people living there. We have great nature, it's the land with both midnight sun in the summer, and aurora borealis (northern lights) in wintertime. We have tall mountains and riverfalls. I hope you'll consider me as your penpal.

Sincerely

Tanja

Hello.

My name is KT. I registered on this site but forgot about it for a while, so I just saw your message. I was born in South Korea and live there. I have a loving wife and daughter, and I work at a company.

Norway is a country I added to my bucket list because I want to see the aurora borealis. However, vacations in South Korea are very short, and my daughter is still in school, so I don't have much free time.

I consider myself quite old-fashioned by today's standards, so when I think of pen pals, I always think of snail mail. However, I don't necessarily have to use snail mail. I would like to share ordinary events from my daily life or interesting news through pen pals.

Since I don't visit this site frequently, my response may be delayed. I apologize in advance for any inconvenience. Thank you.

Sincerely  
Kyung-tak (KT)

안녕하세요 .

저는 KT입니다 . 제가 사이트에 등록했지만 잊어버렸다가 얼마전 보게 되었습니다 . 저는 한국에서 태어나고 살며 아내와 딸이 있으며 회사에서 일하고 있습니다 .

노르웨이는 제가 bucket list에 넣은 나라입니다 . 왜냐하면 북극광을 보려고 하기 때문입니다 . 하지만 한국에서 휴가는 짧고 딸이 아직 학교에 다니고 있어서 자유시간이 많지 않습니다 .

제 기준으로는 요즘 기준에 비해 좀 낡은 사람일 수도 있지만 , 저는 편지나 우편물을 통해서라도 일상생활의 소소한 일화나 재미있는 소식을 나누고 싶습니다 .

제가 이곳에 자주 방문하지 않으므로 답변이 늦어질 수 있습니다 . 미리 양해를 부탁드립니다 .

감사합니다 .

Since we both seem to be quite old fashioned I would like to write snail mail. I have 2 daughters,aged 21 and 23,as well as 3 sons,aged 30,26 and 17. The oldest married 1.5 years ago. Although I don't work now,I went to university and became a nurse,and went to school to get a master in societal safety. I love to learn new languages,and I'm hoping to learn hangul. I hope your wife and daughter are fine,and that you will have a nice weekend.

Take care.

Tanja
